## WELCOME TO BETHEL

### DON'T EXCUSE, EXCEL!

A boy came home from school with his report card. His father looked at the report card and shook his head in disappointment. "What's my problem, Dad," asked the boy, "heredity or environment?"

Many people, like this boy, go through life making excuses for their failure, not efforts for their success. They're always criticizing their circumstances, but never changing their conditions.

We must forget our disabilities and focus on our possibilities. By faith in God, and mixing toil to your trust, you can turn your setbacks into success. Don't excuse, excel!

### COAT CLOSET CLEANOUT

If you have items in the coat closet, or have left items for someone else, please check to make sure they have been taken. The coat closet will be cleaned out this week. Any items not claimed will be donated to charity.

### LUNCH FOR WORKERS

If you would like to volunteer to provide lunch for the men of the church who are working on the construction site, please sign the sheet in the church lobby.
