## IN THE BEGINNING

The beginning of a new year provides an opportunity to think about our past and our future. As we think back, what brings us joy or regret? What would we like to do *differently* this year?

The Bible has some powerful things to say about beginnings. The Apostle John declares simply “in the beginning was the Word.”

It would do us well to say the same thing. In the beginning of this New Year, let us make a commitment that the Word will take a place of prominence. In the beginning of 2019 – in my life – was the WORD!

## CONTRIBUTION STATEMENTS

Bethel Contribution statements will be mailed on or before January 31<sup>st</sup>. If you have changed your address since last year, please stop by the Media Ministry Room and make sure we have your current information.

## BIBLE-READING CHARTS

The B.R.E.A.D. program is a daily reading schedule that helps you read through the entire Bible in one year. B.R.E.A.D stands for Bible Reading Enriches Any Day. Reading charts in English and Spanish are available in the lobby.
