WELCOME TO BETHEL

TODAY IS
MISSIONS Sunday

Our global missionaries leave their homes in the United States, say goodbye to their extended families, and forsake their careers to pursue the ministry of taking the gospel of Jesus Christ to nations overseas.

This is a huge sacrifice on their part; a sacrifice that only a relatively few in the kingdom are willing to make.

Consequently, these missionaries need the spiritual and financial support of us, the North American Church. We give so that they can go.

In addition, we, the North American Church, need personal contact and exposure to our global missionaries. We

need to meet them, hear what they are doing in their countries and feel the burden that they carry for the people to whom they minister.

This is where "Deputation" comes in. Deputation is a prescribed period of time when active missionaries are assigned to visit various churches in North America. The missionaries share their work and vision with the local congregations and the local churches, in turn, pledge continued financial support to the missionary's work.

In the past, deputation time for missionaries used to last anywhere from 2-3 years because it took that long for the missionaries to raise sufficient funds. Thankfully, due to the sacrificial contributions to the annual "I AM Global" offering, deputation time has now been reduced to between 8 months to 18 months. Your missions giving works!

INSIGHTS from BETHELITES

"Being an Ideal Volunteer doesn't solely involve doing, (serving or working in the Kingdom). It also involves being - being an imitator (disciple) of Christ."
